UNIVERSITY POLICIES

ATTENDANCE POLICY

The university views class attendance and participation as an individual student responsibility. Students are expected to attend class and to complete all assignments.

Please refer to [Student Rule 7](#) in its entirety for information about excused absences, including definitions, and related documentation and timelines.

Attendance is a critical component of Kinesiology classes and essential to learning a skill. Additionally due to skill progressions found in teaching activities, it is crucial, for safety reasons, to require regular attendance.

Students experiencing personal injury or illness that is too severe for the student to attend class qualify for an excused absence (see [Student Rule 7, Section 7.2.2](#)). To receive an excused absence, students must comply with the documentation and notification guidelines outlined in Student Rule 7.

For classes that meet two times a week for the full semester:

A student shall be allowed 2 unexcused absences without penalty. For each unexcused absence beyond the first two unexcused absences, 15 points will be deducted from the final grade. **PLEASE NOTE:** A student will **automatically fail** upon receiving the 4th unexcused absence. Excused absences, as defined

in Rule 7 of the Texas A&M University Rules will not result in any point deduction, however, written documentation will be required to receive an excused absence. Any combination of excused and unexcused absences totaling 7 or more, where no more than 3 absences are unexcused will require a grade of Incomplete to be issued in the class. At the discretion of the instructor, this may require the student to retake the entire course due to the activity component and skill progression.

For classes that meet once a week for the full semester:

A student shall be allowed 1 unexcused absence without penalty. For each additional unexcused absence, 20 points will be deducted from the final grade. **PLEASE NOTE:** A student will **automatically fail** upon receiving the 3rd unexcused absence. Excused absences, as defined in Rule 7 of the Texas A&M University Rules will not result in any point deduction, however, written documentation will be required to receive an excused absence. Any combination of excused and unexcused absences totaling 4 or more, where no more than 2 absences are unexcused will require a grade of Incomplete to be issued in the class. At the discretion of the instructor, this may require the student to retake the entire course due to the activity component and skill progression.

One (1) point will be deducted from the final grade for each **tardy** up to **10 minutes**. After 10 minutes, the student is considered absent, unless proper documentation for a university excused absence is provided.

The Physical Education Activity Program does not accept the *Texas A&M University Explanatory Statement for Absence from Class* form available at <http://attendance.tamu.edu> as documentation for an excused absence.

MAKEUP WORK POLICY

Students will be excused from attending class on the day of a graded activity or when attendance contributes to a student's grade, for the reasons stated in Student Rule 7, or other reason deemed appropriate by the instructor.

Please refer to [Student Rule 7](#) in its entirety for information about makeup work, including definitions, and related documentation and timelines.

Absences related to Title IX of the Education Amendments of 1972 may necessitate a period of more than 30 days for make-up work, and the timeframe for make-up work should be agreed upon by the student and instructor" ([Student Rule 7, Section 7.4.1](#)).

"The instructor is under no obligation to provide an opportunity for the student to make up work missed because of an unexcused absence" ([Student Rule 7, Section 7.4.2](#)).). Make up work for an unexcused absence is handled at the instructor's discretion.

Students who request an excused absence are expected to uphold the Aggie Honor Code and Student Conduct Code. (See [Student Rule 24](#).)

Once again, in accordance to [Rule 7, section 7.3](#), students will be required to provide absence documentation and verification in order for the absence to be excused.

ACADEMIC INTEGRITY

"An Aggie does not lie, cheat, or steal, or tolerate those who do"

"Texas A&M University students are responsible for authenticating all work submitted to an instructor. If asked, students must be able to produce proof that the item submitted is indeed the work of that student. Students must keep appropriate records at all times. The inability to authenticate one's work, should the instructor request it, is sufficient grounds to initiate an academic dishonesty case ([Section 20.1.2.3, Student Rule 20](#))."

You can learn more about the Honor Council Rules and Procedures as well as your rights and responsibilities at <http://aggiehonor.tamu.edu>

AMERICANS WITH DISABILITIES ACT (ADA)

Texas A&M University is committed to providing equitable access to learning opportunities for all students. If you experience barriers to your education due to a disability or think you may have a disability, please contact Disability Resources in the Student Services Building or at (979) 845-1637 or visit <http://disability.tamu.edu>. Disabilities may include, but are not limited to attentional, learning, mental health, sensory, physical, or chronic health conditions. All students are encouraged to discuss their disability related needs with Disability Resources and their instructors as soon as possible.

TITLE IX AND STATEMENT OF LIMITS TO CONFIDENTIALITY

Texas A&M University is committed to fostering a learning environment that is safe and productive for all. University policies and federal and state laws prohibit gender-based discrimination and sexual harassment, including sexual assault, sexual exploitation, domestic violence, dating violence, and stalking.

With the exception of some medical and mental health providers, all university employees (including full and part-time faculty, staff, paid graduate assistants, student workers, etc.) are Mandatory Reporters and must report to the Title IX Office if the employee experiences, observes, or becomes aware of an incident that meets the following conditions (see [University Rule 08.01.01.M1](#)):

- The incident is reasonably believed to be discrimination or harassment.
- The incident is alleged to have been committed by or against a person who, at the time of the incident, was (1) a student enrolled at the University or (2) an employee of the University.

Mandatory Reporters must file a report regardless of how the information comes to their attention – including but not limited to face-to-face conversations, a written class assignment or paper, class discussion, email, text, or social media post. Although Mandatory Reporters must file a report, in most instances, you will be able to control how the report is handled, including whether or not to pursue a formal investigation. The University's goal is to make sure you are aware of the range of options available to you and to ensure access to the resources you need.

Students wishing to discuss concerns in a confidential setting are encouraged to make an appointment with [Counseling and Psychological Services](#) (CAPS).

Students can learn more about filing a report, accessing supportive resources, and navigating the Title IX investigation and resolution process on the University's [Title IX webpage](#).

STATEMENT ON MENTAL HEALTH AND WELLNESS

Texas A&M University recognizes that mental health and wellness are critical factors that influence a student's academic success and overall wellbeing. Students are encouraged to engage in proper self-care by utilizing the resources and services available from Counseling & Psychological Services (CAPS). Students who need someone to talk to can call the TAMU Helpline (979-845-2700) from 4:00 p.m. to 8:00 a.m. weekdays and 24 hours on weekends. 24-hour emergency help is also available through the National Suicide Prevention Hotline (800-273-8255) or at suicidepreventionlifeline.org.

COVID STATEMENT

To help protect Aggieland and stop the spread of COVID-19, Texas A&M University urges students to be vaccinated and to wear masks in classrooms and all other academic facilities on campus, including labs. Doing so exemplifies the Aggie Core Values of respect, leadership, integrity, and selfless service by putting community concerns above individual preferences. COVID-19 vaccines and masking – regardless of vaccination status – have been shown to be safe and effective at reducing the spread to others, infection, hospitalization, and death.

DEPARTMENT POLICIES

CLASSROOM EXPECTATIONS

To ensure an enjoyable, inclusive, and engaging learning environment, you are expected to openly share your ideas and express your opinions in class; respect the opinions, values, and identities of your classmates, instructors, and guests; and honor the open environment of the class by respecting confidentiality when appropriate. You are expected to do your best work, meet assignment deadlines, engage regularly in class discussion and activities, and treat other members of the class with courtesy and respect. Please be respectful of others by avoiding disruptive behaviors such as side conversations, cell phone or laptop use, arriving late, and/or leaving early, etc.

ADDITIONAL POLICIES: Attention Students

1. It is the responsibility of the student to inform his/her instructor if they have a condition that may impair or influence participation in an activity class (e.g. physical handicap, use of medication, etc.).
2. Should a student become unable to participate in the focus activity, alternative methods of evaluation may be provided at the instructor's discretion.
3. Students must realize that there is a certain assumption of risk, which they engender when they participate in activity classes such as these. Students must be aware of the assumption.
4. Students are expected to attend each class from the start of the class period until dismissed by the professor. Leaving class prior to dismissal by instructor is considered a violation of departmental rules, and may result in the student being charged with an Aggie Honor Code violation.
5. Your instructor may find it beneficial to the learning process to assist you in movements or body positions in this course. These actions may require physical contact with some students. If the

contact makes you uncomfortable please communicate that to the instructor and every effort will be made to minimize this contact.

6. In regards to COVID-19, due to the nature of activity, there are factors out of our control that could cause someone to be exposed to the virus. It is extremely important for each student to follow the COVID-19 guidelines developed by the university.
7. KINE 199 may be taken for a grade or satisfactory/unsatisfactory. Satisfactory/Unsatisfactory is the automatic default when you register for a KINE 199. You may change your grade status up until the Grade Change option listed on the University's Academic Calendar. After this deadline, it cannot be changed.
